ICC Beneficial Electrification Workshop Participants:

The Illinois Commerce Commission (ICC) will hold a Beneficial Electrification workshop meeting on **Wednesday, November 3, 2021 (10:00 am – 2:30 pm)**. The agenda is attached, with Webex information included. A meeting invitation will be circulated shortly.

The purpose of the November 3rd meeting:

1. To introduce the ICC Beneficial Electrification Workshop series, including requirements of the Electric Vehicle Act, the Proposed Ideas Template, and the initial Workshop Plan; and
2. To educate Workshop participants on the recent UIC Energy Initiative's Transportation Electrification workshop process and report.

Request for Ideas

As part of the Beneficial Electrification Workshop process, Workshop participants are invited to submit: *Recommendations for beneficial electrification investment, incentives, program design(s), and other ideas that the utilities may consider and include in their beneficial electrification plans.*

- The Proposed Ideas Template is attached.
- **Ideas are due by 5:00 pm on Wednesday, November 24, 2021.** All templates should be submitted to the Workshop Facilitator: Celia@CeliaJohnsonConsulting.com
- Workshop participants that submit feedback may be invited to present at an upcoming workshop meeting.

Please note the following background information:

- The ICC is required to hold Beneficial Electrification Workshops by newly enacted [provisions](#) of the Illinois Electric Vehicle Act (EV Act), 20 ILCS 627/45. The purpose of the workshop process is to solicit input on the design of beneficial electrification programs that Ameren Illinois and ComEd will offer pursuant to the EV Act.
- As required by the EV Act, workshops must conclude no later than February 28, 2022.
- Visit the [ICC's Beneficial Electrification Workshop webpage](#) for additional information.

Please reach out with any questions.

Thank you,

Celia
